The Report is by no means satisfactory. The Food Inspector is not a man of sufficient standing to deal with cases of this kind & should be under the D.O. & help him in inspection of the poor & middle classes. The D.O. should be asked to see that no room is given for such complaints in future

S i r ,

With reference to your letter No.G.4480, dated the 22nd instant, regarding some allegations contained in the -- "Truth" against the Fuel Inspector, I have the honour to -- inform you that, on careful enquiry, I find that they are all quite unfounded.

1. Regarding the first allegation, I beg to state that no private fuel is allowed to be transported in waggons obtained for Government purposes. The private persons get priority certificates from the Director of Civil Supplies separately, when they wish to get their own fuel in Railway waggons. As regards the second allegation, I have to state that the fuel is loaded in carts according to convenience but never with a view to deceive the public.

2. Regarding the distribution, I have to inform you that the Inspector has always acted according to the orders of this office.

3. It is needless for me to mention, in this connection, that the Editor is indebted to a person who is an interested party in the matter and who bears a silent grudge against us.

4. I may also add that I have not received any -- public complaints worth mentioning against the fuel Inspector

and that his work is quite satisfactory.

I have the honour to be,

S i r ,

Your most obedient servant,

K H Ramayya

Deputy Director in charge.
